FILL 'ER UP

BY LINDAMICHELLEBARON

Fill my ego, Here's the cup. I said, fill my ego. I drink that up.

I'll smile, and pose, and dimple up, but just fill my ego. Here's the cup.

I'll talk and let my laugh erupt, but just fill my ego. That's what's up.

Say sweet words that won't corrupt but just fill my ego. Fill it up.

I said, fill my ego. Fill it up. That's right, fill my ego, that's what's up. Hey now, fill my ego, here's the cup. Come on, fill my ego. I drink that up.
