

HOW COULD I DO THIS?

List all of the ways that you could solve these problems. Number the options for each one.

PROBLEM 1: You've been offered a great babysitting job on Saturday mornings that pays well, but it's in another neighborhood. How might you get there?

PROBLEM 2: You get to school and realize you forgot to charge your phone last night. You know you'll need to use it after school. What do you do?

FIND SOLUTIONS

List pros and cons for each option you listed on your “How Could I Do This?” activity sheet. Mark a + or - sign after each one. Then, find the option with the most + signs and the fewest - signs, and circle your solution.
