**automated teller machine (ATM)** – a machine that allows people to complete basic transactions, such as checking their account balances, withdrawing or depositing funds, or transferring money between accounts

**bonds** – loans to a company or government that pay a fixed rate of interest to the lender over time

checkbook - a book of blank checks

**checking account** – a bank account that allows deposits and withdrawals; funds can be withdrawn through checks, debit cards, and more

**credit** - the ability for someone to borrow money and pay it back at a later date

credit card - a plastic or digital card that allows people to make purchases on credit

**credit card balance** - the amount of money owed to a credit card company

**credit score** – a number assigned to a person based on factors such as their ability to make payments and the amount of money they owe; the higher the score, the more likely a borrower is to be able to repay loans

**debit card** – a plastic or digital card that deducts money directly from a checking account to make purchases

**deductions** – items withheld from a person's pay, usually relating to benefits such as healthcare or retirement funds

deposit - the placement of money into a checking or savings account

direct deposit - an electronic payment directly to an employee's account by an employer

fraudulent transaction - a transaction that was unauthorized by an account holder

gross pay - full amount of pay received before withholdings and deductions

interest - a charge incurred for borrowing money, usually as a percentage of the money owed

**issuer** - a company that provides credit cards

**minimum balance** – the minimum dollar amount a bank requires its customers to keep in their bank accounts; dipping below this amount can result in fees

minimum payment – the lowest amount of money required to be paid on a loan or credit card balance each payment due date

OVERCOMING

**OBSTACLES** 

## WORDS TO KNOW IN FINANCE

**negative balance** – an account balance of less than zero, indicating that more money has been spent than was available in the account

net pay - amount of pay remaining after deductions from a person's gross pay

**online banking** – known as internet banking or web banking, an electronic payment system that enables customers of a bank or other financial institution to conduct a range of financial transactions through the financial institution's website or app

**overdraft fee** – a fee incurred when a bank covers a payment that is greater than the available funds in a checking account

pay period - the recurring schedule that determines how frequently a person is paid

paycheck - a check or payment for salary or wages

payment schedule - a schedule of when repayment is made between a borrower and a lender

**pay stub** – a piece of paper accompanying each paycheck that lists gross pay, withholdings, deductions, and net pay

**pending transaction** – an approved transaction that may be reflected in your account balance but has yet to be fully processed

posted transaction - an account transaction that has been fully processed
