

FILL 'ER UP

BY LINDAMICHELEBARON

*Fill my ego,
Here's the cup.
I said, fill my ego.
I drink that up.*

*I'll smile,
and pose, and dimple up,
but just fill my ego.
Here's the cup.*

*I'll talk
and let my laugh erupt,
but just fill my ego.
That's what's up.*

*Say sweet words
that won't corrupt
but just fill my ego.
Fill it up.*

*I said, fill my ego.
Fill it up.
That's right, fill my ego,
that's what's up.
Hey now, fill my ego,
here's the cup.
Come on, fill my ego.
I drink that up.*
